

15TH ANNUAL  
**ST. PATRICK'S DAY  
FUNDRAISER**  
Saturday, March 6, 2010

Making a difference for 15 years

We welcome our **2010 families**

# MULLIGANEERS ST. PATRICK'S DAY FUNDRAISER

## Mission Statement

The Mulliganeers is a nonprofit organization dedicated to fundraising for children in need and their families. The main method of fundraising is through golf outings and associated fundraising dinners. Recipients of charitable donations generated by this group are determined annually by the Board of Directors and may vary from year to year. The recipients, however, are ALWAYS children.

## History

Mulliganeers was formed several years ago by a group of long-time friends who would hear different tragic stories involving children. Although many times they would individually offer financial assistance to the family in need, they knew that collectively they could accomplish so much more. Thus, Mulliganeers was formed.

The Board of Directors and Committee Members of Mulliganeers are all volunteers. Most services and prizes are donated (as are many of the products) and due to generous contributions, Mulliganeers is able to keep their costs to the bare minimum.

These professional men and women are willing to donate their time, talents and connections to this worthy cause. They are grateful for the many generous contributions made to Mulliganeers, and recognize that collectively we ALL have been able to help children and their families in times of need.
